RANGER
ARMS

Designed for professionals with unique Turkish engineering, Ranger RA9 Defence is the new favorite of law enforcement agencies, military personnel and civilians around the world due to its high reliability, 17 rounds magazine capacity, perfect trigger weight and trigger reset distance. The unique "Monoblock Trigger Group", its elegant structure, the world-famous Mec-Gar CZ75 Magazine and more durable with 4140 Steel used in barrel production, more reliable with firing pin safety and trigger safety, more durable with reinforced lightweight polymer used in frame production, Ranger RA9 Defence 9x19 mm Semi Auto Pistol is safe, long-lasting, easy to disassemble and high performance. All these reasons will come to your aid when you need it.

The Unique Monoblock Trigger Group

It provides a more durable and long-lasting use thanks to the unique Monoblock Trigger Group, on which all the parts that enable the gun to operate and fire are collected. It offers the opportunity to have a renewed weapon by simply changing the Monoblock Trigger Group. It makes disassembly and cleaning easy.
